

Grade 1 is a crucial stage in a child's educational journey, where a strong foundation in learning is essential. At Doamago, we provide carefully designed learning tools that align with children's cognitive development. This course focuses on fundamental math skills, including addition and subtraction, while also introducing multi-step problem-solving through interactive and engaging templates. Our structured approach ensures an enjoyable and effective learning experience, helping students build confidence in mathematics.

Benefits:

- 1. Builds Strong Math Foundations** – Introduces essential concepts like addition, subtraction, and multi-step problem-solving.
- 2. Enhances Critical Thinking** – Develops logical reasoning through engaging exercises.
- 3. Improves Writing Skills** – Strengthens number formation and handwriting abilities.
- 4. Boosts Confidence** – Encourages students to approach math with confidence and independence.
- 5. Prepares for Advanced Learning** – Helps students stay ahead in school by establishing a solid mathematical foundation.
- 6. Encourages Problem-Solving Skills** – Teaches students how to approach and solve different types of math problems effectively.

Course Name : Grade 1

Student Age : 6 years

Total number of Maths: 15,000 units

Category : Addition, Subtraction
Multi-Task & many more.

Instruction

Students can complete one lesson per day, with a total of six lessons over six days. After completing the chapter, the next chapter will be unlocked after 7 days. Please ensure children do not attempt more than 1 lesson per day to maintain a healthy and effective learning pace.

We are a team of 17 teachers who love helping children learn and grow. Together, we have more than 20 years of teaching experience. Our lessons are designed using special research about how children learn best. This helps us create a strong and fun learning foundation for every child. We are proud to help children find the right way to learn so they can have a bright and successful future!

"If you are not satisfied within 30 days, we will gladly issue a full refund."
